Minutes of the Annual Congregational Meeting

#### St. Andrew's Presbyterian Church, Sackville, New Brunswick Sunday, February 11, 2024

#### **Place and Time**

The Congregation of St. Andrew's Presbyterian Church, Sackville, New Brunswick held its annual meeting at the church on Sunday, February 11, 2024 at 12:28 in the afternoon.

#### **Attendance:**

<u>Present:</u> Rev. Jeff Murray, Terrlynn Allen, Gordon and Helen Amos, Mary and Paul Bogaard, Jean Cameron, Barb and Lew Clarke, Beth Cockburn-Savoie, Carol Cooke, Irene Corkerton, Lise Corkerton, Lynn Estabrooks, Richard Fillmore, Kirk and Mona Meldrum, Anne Miller, Rebekah Nelson, Heather and Michael Payne, Carol Sheehan, Eileen Smith, Laura Snyder, Matt Somers, Debbie Stewart, Linda Trentini, Jerry Ward, Alex Whitla.

Rev. Murray, Chair, opened the meeting with the reading of Philippians 4:4-9, followed by reflection and prayer.

#### Secretary:

It was moved by Richard Fillmore and seconded by Terrlynn Allen, that Laura Snyder serve as Recording Secretary for the Annual Congregational Meeting. Carried.

#### **Agenda:**

It was moved by Mary Bogaard and seconded by Anne Miller, that the agenda distributed with the *Annual Reports for 2023* be adopted. Carried.

#### Minutes:

It was moved by Jean Cameron and seconded by Anne Miller, that the minutes of the Annual Congregational Meeting held on February 12, 2023 and distributed with the *Annual Reports for 2023* be adopted. Carried.

#### 2023 Reports:

It was moved by Linda Trentini and seconded by Beth Cockburn-Savoie, that the following 2023 reports be adopted as distributed: Atlantic Mission

Society and Ladies' Aid, Atlantic Mission Society Financial Report, Board, Flower Committee, Reader and Greeter, Ladies' Bible Study, Library, Music Support, Publications, Session, and Social Committee. Carried.

Rev. Murray commented that there is a lot of information in these reports. Jean Cameron commented that the reports provide a very good view and historical record of what has gone on this past year. Rev. Murray noted that a copy of the reports will go to the Archives. He thanked all who serve on committees and those who wrote the reports.

#### Nominating Committee Report:

Linda Trentini presented the Nominating Committee report, noting that Heather Payne should be added to the Library Committee list. In the Board and Trustees lists there are a few errors in the left-hand column, but the right-hand column correctly lists those serving for the coming year. Kirk Meldrum is stepping down as Board member and trustee; Linda is now serving as a trustee.

It was moved by Kirk Meldrum and seconded by Lynn Estabrooks that all nominations and the report as a whole be adopted with corrections as noted above. Carried.

Rev. Murray noted that it is wonderful to see some new names in this report. He also expressed his appreciation to Kirk Meldrum for his wisdom and insight in his roles as a Board member and a trustee.

#### **Financial Reports and Review:**

Anne Miller began by commenting that this is her first time presenting the financial reports at the annual meeting without her late husband Art's support, and also her first time to report that all money has been raised for a project not yet done. Beginning with the Income and Expense statements for 2023, she reported that while the Operating Budget was slightly overspent in 2023, the roof budget is well in place. Most areas came in at or below budget in 2023. The manse projects have not been done yet, but are planned for 2024. Some money was spent from the Benevolent Fund in 2023, but none came in for that fund.

In discussion, Jean Cameron noted that the expenditure in 2022 for the video equipment has been a very good investment. Many people watch our services who cannot attend in person. Debbie Stewart asked how many people are watching. Laura Snyder answered that it is difficult to tell because of the ways Facebook and YouTube count and report viewers. She provides an estimate as part of our church attendance figures for the annual Statistical Report for PCC and appreciates anecdotal information about those watching our services or listening to the

broadcasts on CHMA. Brian Neilson was thanked for his role in the radio broadcasts; it was also noted that his son John Neilson did an excellent job as reader during the morning service. It's great to have our younger congregants take an active part in our services.

It was moved by Anne Miller and seconded by Paul Bogaard, that all Income and Expense statements for 2023 be adopted as distributed. Carried.

Anne Miller next presented the balance sheet, which compares assets and liabilities for 2023 to the two previous years. The CEBA loan was paid off so this has decreased our liabilities.

It was moved by Anne Miller and seconded by Paul Bogaard, that the Balance Sheet and Financial Review for 2023 be adopted as distributed. Carried.

Anne Miller then presented the Budget for 2024. It builds on our good year of 2023, with a total about \$6,000 higher than last year. Some costs are up, including insurance and the Presbytery and Synod amounts, while the cost of utilities didn't increase as much as in 2022. In answer to a question about Presbytery and Synod dues she reported that the increases are due in part to the fact that the unspent roof project money has increased our dollar base. Rev. Murray added that there is also a general increase in the dues now because there were no increases during the height of the Covid pandemic.

For the Building and Reserve budget, the aim is to have about \$1,000 come in per month. We are next on the contractor's list for the roof project. There will be a few other projects to do in the church once the roof is done.

On the Memorial Fund, Anne Miller commented that the Session decides on expenditures of this money. The new AV system came out of this fund, for example.

In discussion, the question was asked whether the national church gives us any money. In general, we are giving rather than receiving. We did, however, receive a grant of \$7,000 for the roof project. This was from the McBain-Barker fund, which also gave us a grant previously for the elevator project. Churches can apply for a grant every five years. The Presbyterian Sharing fund provides aid to churches based on need. Our church received this funding in earlier times.

It was moved by Anne Miller and seconded by Paul Bogaard, that the Budget for 2024, totalling \$127,568, be approved. Carried.

Anne Miller thanked everyone for stepping up with their donations. She also thanked Linda Trentini for her work as Assistant Treasurer, and Rev. Murray and the Board for their support.

Rev. Murray expressed his thanks and commendations to Anne for her work. Paul Bogaard added his voice of appreciation for her terrific work as treasurer.

#### New business:

A few memories of Art Miller were shared, with warm appreciation for his teaching and his work in the church.

Mary Bogaard thanked Rev. Murray for another year of leadership.

There being no further business, Rev. Murray called for a motion to adjourn.

It was moved by Mona Meldrum and seconded by Kirk Meldrum, that the meeting be adjourned. Carried.

Rev. Murray closed the meeting with prayer at 1:09 p.m.

Respectfully submitted, Laura Mattern Snyder, Recording Secretary

# Atlantic Mission Society (AMS) and Ladies Aid

The AMS continued to meet at 10:30 on Saturday mornings at the church. We have been busy with 11 active members, with an average attendance of 7.

Our executive is:

President Helen Amos
Vice-President Heather Payne
Treasurer Eileen Smith
Secretary Debbie Stewart

In February Valentine Letters were distributed to the church children and a large red heart was placed in the narthex. All attending church were invited to write a good deed of kindness they had done on a small heart and placed it on the heart poster, in the spirit of loving others as ourselves. Cards for Easter were mailed and there was an Easter egg hunt following the Easter service. In the Spring sunflower seeds and cards were delivered. In October a tree was hung in the narthex and leaves were available for writing something for which each person was grateful, to be added the tree. Cards with angels and candy canes were distributed to the children at the Dec. 24th Christmas Family Service.

The World Day of Prayer (WPD) service was held at the Church by the Lake on March 1st. It was written by the women of Palestine. Helen Amos attended and read on our behalf. We also donate at each of our meetings to "the Fellowship of the Least Coin", a program of the Women's Inter Church Council (WICC). More information is available at https://wdpcanada.ca/. April 28th was the date for Mission Awareness Sunday when the members participated in the service, "Keeping the Faith".

The following organizations were supported financially: the Sackville Food Bank, Open Sky Co-operative, Camp Geddie, Presbyterian Missions, as well as our own congregation. We also supply student snacks and personal hygiene items to the Tantramar High School.

Once again in December a basket was available for donations during a time of fellowship with warm cider and cookies, following the church service. The \$310 raised went to the Community of Hope in Moncton which provides services known as "Rahab's Refuge" to women at risk.

A potluck lunch was held on June 16th following our meeting. The October meeting was held at Open Sky. As the congregational Christmas potluck dinner was cancelled due to inclement weather, it was held on December 14th to coincide with the AMS potluck lunch. A door prize, won by Jerry Ward, was provided by the AMS.

Visitors and new members are always welcome.

# Board of Managers

The Board of St. Andrew's Presbyterian Church met monthly in 2024 to address issues pertaining to the Church and Manse. Alex Whitla continued as Board Secretary for which we were most grateful.

Various responsibilities were handled by members in an oversight capacity. Barbara Jardine arranged with Laura Snyder, Church Organist, to have the piano and organ tuned as necessary. Mona Meldrum continued as our liaison between the Board and Session. Linda Trentini continued as Board Chairman until health issues required her resignation in late 2024.

Anne Miller continues as the Church Treasurer. The Board is most thankful that this role is done so ably, and we are most appreciative of the vital work of our Treasurer. Linda Trentini continues to serve as aide to the Treasurer.

We wish to thank Elizabeth Millar, Church Envelope Secretary. Elizabeth has served in this role for several years and has agreed to continue for the coming year.

Several structural projects have been the major focus of the Board this year. As mentioned, in last year's Annual Report, we were waiting for a local contractor to start our roof project. We were informed in the Spring that this company would be unable to start this project as planned. We were then tasked with finding another company to start the much-needed roof for which generous donations from the Congregation and Friends of St. Andrew's were received. As well, we had received monies from the Federal Government and from the National Presbyterian Church. We approached SE Metal Roof of Moncton and were visited, within a week, by their estimator and another experienced roofer. After another meeting, which included a drone inspection of the roof, we asked for a quote. Progress moved quickly, and by the first week of July the work was started and completed within a week.

Early in the Spring, during maintenance on the Manse propane fireplace, it was noted that there was significant damage to the chimney that had occurred over time. There was no liner in the flue and several cracks were evident in the upper segment of the chimney. Although this work was not budgeted, the Board felt it could become a safety issue for our minister and family. We proceeded to investigate several options, and in the end decided to replace the chimney and propane fireplace. This work was done by a local company, Goldbrick Masonry, owned by Philip Sears. This triggered several months of discussion on what would be the most efficient way to heat the Manse. A special meeting of the Board took place at the Manse in early June. Several alternatives for heating the Manse were discussed at that time. It was determined that more information was

needed. Alternatives to oil heat were discussed, and after more research, it was decided to convert from an oil heat, hot water system to an electric fired boiler. The conversion required an entrance upgrade and installation of a 20kw electric boiler and control system. This change will provide a cleaner, less expensive, heat to the Manse.

New storm doors and living room window have been ordered. This project had been planned for several years and had been delayed due to the installer's work schedule. The doors and window have been received and will be stored by the installer. This project will go forward as soon as the weather is warm enough in the Spring.

Once the roof was completed our next project at the Church began. St. Andrew's contracted with Ronnie Beal of Windy Marsh to paint everything on the exterior of the Church. They began by repairing and reinforcing the trim and wire mesh that protects the large, stained-glass window and similarly the large window at the other end of the Church. They then proceeded to scrape and paint the eaves, frieze and water table boards. They scraped, repatched and painted all the exterior basement walls where they were above ground. They scraped, sanded and revarnished the two main entrance doors. All these were agreed upon at the onset.

While they were working we also arranged for them to help us with the storm windows (which were being remade by J. A. Richards & Sons of Amherst) by taking the old ones down and disposing of them, cleaning and repainting the window frames and interior windows, painting the new storm windows once built and delivered, and mounting them on each of eight windows. Those windows facing Bridge Street had UV protective film applied on the inside before they were installed. The painters also agreed to pressure wash all the vinyl cladding on the Church. Finally, these painters offered to repaint all the interior walls of the basement, including trim, ceiling, and back stairway. This all together proved to be quite expensive. But a quality job has been done, and our Church has been upgraded into excellent repair for the first time in many years.

The work at the Church plus the unexpected work at the Manse has made this an expensive, but fruitful year, necessitating a call-out to our St. Andrew's Family for additional funds. We expect the coming year, with no major projects anticipated, will find our funds replenished.

We would close this Report with a 'thank you' to Reverend Murray. Work done of his own accord at the Manse has saved the Church funds. As well, he has supported the Board and lived a difficult Summer with construction taking place literally in his living room. Finally, I would like to recognize and thank Paul Bogaard and Alex Whitla for their help in preparing parts of this report.

Respectfully submitted, Linda Trentini, Board Chairman, retired

### Flower Committee

The flower committee continued to provide arrangements in the sanctuary throughout 2024 with decorating for Easter, Thanksgiving and Advent.

Cards and flowers were sent to members and adherents during the year for special celebrations, bereavements, and illness, as well as, to those not always able to attend in person. Thanks are extended to all who placed memorial flowers.

If you know of someone who could be cheered by a bouquet of flowers, a card, or a fruit basket, please contact a committee member.

Respectfully submitted, Mona Meldrum, Rebekah Nelson, Carol Sheehan, Eileen Smith, Debbie Stewart and Linda Trentini

Food Bank

Usually our congregation contributes non-perishable food items every first Sunday of the month to our local Sackville Food Bank.

Our congregation is so generous in giving to the Food Bank that we, Kevin Hicks and myself find ourselves delivering to them not only after the first of the month but throughout the month as well.

We would like to take this opportunity to thank our congregation for all your wonderful support to the Sackville Food Bank. It is greatly appreciated.

Respectfully submitted, Heather Payne Kevin Hicks

# Ladies Bible Study

The members met on Thursday mornings at 10:30 from September to June in each other's homes.

We completed Rachel Risner's Significant Six Ordinary Women, One Extraordinary God. In this study we learned of women from the genealogy of Jesus.

We were sorry to be by notified by Jean Scobie that she felt unable to continue to be part of our group. She has been a faithful and cherished member for many years.

In the fall we began a study on the book of Mark by, N.T. Wright, part of the series, "For Everyone Bible Study Guides".

New members are always welcome. We enjoy the challenge and delight of discussion.

Respectfully submitted by Debbie Stewart, on behalf of Beth Cockburn-Savoie, Barb Jardine, Heather Payne and Linda Trentini.

Library

During 2024 the Library Committee has continued its work on getting the Children & Youth section in better order. 53 outdated fiction items were removed from the collection, relieving some of the congestion on the shelves. The entire section was removed temporarily so that we could clean and re-space the shelving to better accommodate the great variation in sizes of children's books. A lot of books had been out of order on the shelves with categories inter-mixed, so we did a lot of sorting as we re-shelved. During the sorting process we found quite a number of uncatalogued items that we are guessing may have been left as donations. Those are being reviewed, to be added to the collection or donated elsewhere.

Some of the shelving has been taken over as a storage area for multiple copies of bibles, songbooks, etc. We are now working on organizing and consolidating all of that material together. We also continue to seek better solutions for the placement and storage of furniture in the area, so that it will be easier for people to browse the library collections without having to move tables and chairs out of the way.

Our next big task will be to do a thorough review and weeding of the adult collection.

We need to be mindful of our limited space as we add to the collection. We ask potential book donors to consult us first, rather than leaving anonymous gifts. It would be good to add some newer titles, and for that we encourage your suggestions.

Respectfully submitted,

Beth Cockburn-Savoie Heather Payne Laura Snyder

#### Music Committee

The St. Andrew's Music Committee members are pleased to report that, in 2024, the music for church services and our carol sing at the Christmas Potluck was very well planned and presented by our instrumental musicians on organ, piano, cello, violin, horn, and trumpet.

Elizabeth Craig, Laura Snyder and Charles Torrance continued as our employed musicians, and we were pleased and grateful that Eleanor Murray (cello) and John Neilson (trumpet) continued to volunteer to be part of special music for Christmas and Easter.

The Hymn singers continued to show up as able, on Fridays from 5-6 pm, along with occasional drop-ins, and were skillfully accompanied by Elizabeth and/or Laura, to rehearse the hymns to be sung on Sunday, and to sing, for fun, other hymns from the hymnal. The Hymn singers occasionally sang in services as a choir, presenting music suggested by group members or by Laura and Elizabeth. Laura, Elizabeth, and Charles all did some arranging and adapting of music to fit the needs of our singers and instrumentalists. Singing together continues to be our kind of fun. Though the gathering is not a worship service, and there is laughter and chat here and there, we share very special moments as we sing and listen to each other.

The Committee also meets to prepare a budget request to the Board of Managers for the coming year.

Thank you to the Congregation for generously supporting the Music Budget at St. Andrew's.

Respectfully submitted, Mary Bogaard, Jeffrey Murray, Carol Sheehan, Laura Snyder Publications

Rev. Jeff Murray, the webmaster, continued to offer his expertise in maintaining and upgrading the website—www.sapres.ca.

Through the new Web Streaming System, video church services were available live on YouTube and Facebook and in audio on CHMA 106.9 FM radio. All services were posted on YouTube and on Facebook for viewing throughout the year.

The Web Streaming System connects members and adherents from near and afar to enjoy the ministry at St. Andrew's. Zoom video conferencing has also been used as a means to participate in Board and Session meetings and Bible study.

There is a CanadaHelps.org donation page available.

A special thank you to several of our children of the congregation who have enthusiastically participated in a training session for the operation of the streaming device. They now regularly 'take command' of the control board with confidence.

The church directory was published and printed in January 2024.

A very special thank you is extended to Rev. Jeff Murray for his technical abilities enabling many people to connect with the work and ministry of St. Andrew's.

Respectfully submitted Mona Meldrum

Reader/Greeter Coordinator

Looking back on 2024 I have witnessed the faithfulness of those who have been readers and greeters for our worship services, and it's been my pleasure and privilege to be a keeper of the schedule for another year.

I so appreciate the willingness of all who choose to volunteer for these tasks, and their patience with small mistakes and changes of plan.

If you've been thinking of doing some greeting or reading, please let Rev. Murray or me know, and I'll be in touch about finding a date that is good for you. This invitation is to readers and greeters of all ages! Greeters work in twos, and Readers could share a job too - if you might like to try, please talk to me about it.

Respectfully submitted, Mary Bogaard

#### Session

The Session met eleven times during 2024; the meetings were well attended. All meetings were held in person at the church, sometimes with one or more elders attending by Zoom.

In 2024 we celebrated 51 Sunday services and 4 special services. Poor weather conditions led to the cancellation of one Sunday service in February, as well as the late Christmas Eve service. Services were live-streamed throughout the year, and Sunday services were also broadcast on local radio station CHMA. Brian Neilson continues to serve faithfully as our contact and the moderator for most weekly broadcasts. Recordings of past services are available through our Facebook and YouTube pages.

The Sacrament of Holy Communion was celebrated on seven Sundays, and on Maundy Thursday. Carol Sheehan and Roger Sage have sometimes joined the elders in serving the Communion elements. We continue to use the "health-friendly" procedures developed in 2021. Concerns about rising rates of respiratory infections in September also led to modifications in greeting practices at our services.

Mission Awareness Sunday was celebrated on April 28, with AMS members leading the service. We are also grateful to the AMS for their continuing ministry to the young people of our congregation through cards, gifts, and interactive seasonal displays.

Our Anniversary service, celebrated on November 3, marked the 80<sup>th</sup> anniversary of the turning of the church building in 1944. Rev. Herb Hilder served as guest preacher, and Rev. Katharine Michie also participated. The 1944 committee (Paul Bogaard, Mary Bogaard, and Anne Miller) did an excellent job of dramatizing the turning of the church building, assisted by a few young worshippers.

In Rev. Murray's absence, several others led our services: Brian Neilson on April 7, June 30, July 7, and July 28; Helena Human on June 2; Rev. Ian Ross-McDonald on July 14 and 21; Rev. Ellie Hummel on October 20; and Rev. Todd Nelson on November 17.

On July 28 our congregation was augmented by about 30 students and their leaders from Toya Eiwa High School in Japan, here to participate in the "Go Global" program at Mount Allison University.

During 2024 the Session supported funding for church building and manse repairs. In May we approved the spending of \$15,000 from the Memorial Fund. In November

we applied for a grant from the Annie Thompson Bingham Fund; \$6,000 was received in January 2025.

During March and April, Helena Human led four very informative study sessions on the Book of Revelation, via Zoom.

Social connections are important to our congregation, and were encouraged during 2024 through Coffee & Conversations, an Easter breakfast, an all-church picnic on June 9, weekly "Lemonade on the Lawn" during July and August, and our December church potluck dinner – postponed due to winter weather, but rescheduled and combined with the AMS potluck lunch. These events could not happen without the dedicated work of Helen Amos and the Social Committee, Brian Neilson, and others who prepare food and help with setup and cleanup.

Helena Human gave an informative presentation on Camp Geddie at Coffee & Conversation on May 12. She also invited St. Andrew's to serve as a partner congregation (along with other congregations in the Atlantic Synod) to support one of the Camp Geddie Counsellors through prayer, and with nine cards (one for each camp session) giving messages of encouragement. A description of our church and a commission for the counsellor to receive at the end of camp were also prepared. AMS provided financial support, and Mary Bogaard served as coordinator. The counsellor supported by our church was Rebekah VanLeeuwen. The volunteers for this project were Carol Sheehan, Eileen Smith, Rev. Jeff Murray, Debbie Stewart, Linda Trentini, Helen Amos, Heather Payne, Brian Neilson, and Mary Bogaard.

At our September meeting, the Session moved to present Helena Human to the Presbytery of New Brunswick for consideration as a candidate for the ministry.

In 2024 Laura Snyder continued to serve as Clerk of Session, and Mona Meldrum as Roll Clerk. Mona also served as Session representative to the Board, while Linda Trentini continued as Board Chair.

Brian Neilson serves as Representative Elder to the Presbytery of New Brunswick and the Synod of the Atlantic Provinces, and is serving again as Moderator for the Presbytery. He and Rev. Murray provide regular reports on those meetings. The Presbytery has had a challenging year, with many changes. Rev. Murray served as Young Adult Representatives leader during General Assembly.

Our congregation continues to be well represented on national PCC committees. Brian Neilson serves on the Life and Mission Agency Committee, Donna Capper on the International Affairs Committee, Rev. Murray on Assembly Council, and Elizabeth Millar on the Archives and Records Management Committee of Assembly Council.

The Prayer Tree, ably coordinated by Mary Bogaard, has been very active this past year. It continues to be a vital way to keep us connected, as we support each other and the extended church family through prayer.

The St. Andrew's congregation supports the local community through donations to the Sackville Food Bank and the Tantramar Regional High School's Food for Thought & Tantramar Pantry programs, as well as "White Gift Sunday" donations for the Tantramar Community Association's Christmas Cheer boxes. Heather Payne and Kevin Hicks are our representatives to the Food Bank, Mary Bogaard serves as our connection for the TRHS programs, and Brian Neilson is our Tantramar Community Association representative.

We are thankful for the engagement of our congregation as we work together to support and nurture each other, and to be a caring church in our community. We pray that God will continue to bless us and the ministry we share.

Respectfully submitted, *The Session of St. Andrew's* Rev. Jeffrey Murray, Terrlynn Allen, Mary Bogaard, Richard Fillmore, Mona Meldrum, Brian Neilson, Laura Snyder, and Linda Trentini.

July and August - the resuming of lemonade on the lawn. The AMS provided the funding for this event as their summer project.

St. Andrew's had the privilege of hosting 29 students from Japan on July 28th. This was part of their Go Global Program. Thank you to members of the congregation who contributed lemonade and snacks during the summer.

Sept 8th - C&C resumed

October 20th - C&C was held one week later due to Thanksgiving Sunday occurring on the second Sunday of October

November 3rd - C&C. This was a celebration of the 80th Anniversary of the Church turning. A very successful event.

December 1st. - C&C was provided by the AMS hosting this event. Hot apple cider and cookies were provided. This is in place of the traditional craft and bake sale. A donation basket was available for those who wished to contribute. This year the monies collected went to a local charity, known as Community of Hope.

December 8th - The Congregational Christmas potluck supper was scheduled for this date, but due to a snowstorm was rescheduled to December 14th. This coincided with the AMS potluck luncheon which was opened to the congregation. This event was well attended. A door prize was given by the AMS and was won by Jerry Ward.

A thank you to all those who assisted in the pre-set up of tables, brought food, assisted with the cleanup and putting things in order at the close of the afternoon.

St. Andrew's Presbyterian Church 36 Bridge Street Sackville, NB E4L 3N7

To the Members of St. Andrew's Presbyterian Church,

I have reviewed the balance sheet of St. Andrew's Presbyterian Church as of December 31, 2024, and the statements of income and expenses for the year end. The review also consisted of discussions and preparation of accounting reports with the Treasurer of the church throughout the year.

Based on my review, nothing has come to my attention that causes me to believe that these financial reports are not, in all material respects, in accordance with generally accepted accounting procedures.

Sincerely,

Becky Estabrooks
